US-bred stallion Pikko del Cerro HU (pictured) was the Reserve Champion USEF Dressage Breeding Sire of the Year for 2020. Pikko is owned and bred by Horses Unlimited, Inc. and stands at Hilltop Farm in Colora. Barn mates Royal Prince (fourth), Qredit (eighth), Sternlicht (ninth) and Popeye (10th) also made it onto the USEF Dressage Breeding Sire of the Year list.

Gilbert and Janet Breeding have been inducted into the Carroll County Department of Recreation and Parks' Volunteer Hall of Fame. The couple have been actively serving as volunteers for 45 years and continue to volunteer to this day. They worked with staff to install the first trail system at Piney Run and as part of the Trails Committee (later renamed the Carroll County Equestrian Council) they were instrumental in creating several multi-use trails including those at Union Mills and Gillis Falls. The Breedings are charter members of the Carroll County Equestrian Council. Janet has held the offices of Vice President, Secretary and Treasurer over the years. Together they have also volunteered to train other volunteers and trail users in safety, equipment use, forest conservation practices and stewardship.
