THIS MONTH'S COVER

Here in Maryland we are blessed with a wide variety of equestrian activities to keep us busy... including the Mountain Trail Courses at Double C Farm in Clarksburg! It does not matter if you ride English or Western, there is something for everyone at Double C

Farm's course. Pictured on this month's cover is owner Cridder Hale riding Reno over the swinging bridge. This bridge sways side-to-side as horses and riders cross it. Find out how you can participate in a Mountain Trail challenge on page 21. Cover photo by Sirius Photography.
