- Pull an Abscess Quicker
- Reduce Inflammation
- Increase Range of Motion
- Relieve Muscle Soreness
- Improve Performance
- End Stall Rest Sooner

"Wendy treated my aged gelding for anhidrosis. I thought we were going to lose him given his critical condition. Wendy gave him the first of three treatments and he is sweating again! It seems like a miracle but I know it's Wendy's skill and expertise combined with the science of MW PEMF." ~Becky O'Neil
