

# The three supplements you want most under one lid.

## JOINTS

Supports normal joint function and collagen synthesis with glucosamine, chondroitin sulfate, vitamin C, manganese and MSM.

## HOOVES

Supports strong hooves and healthy hoof growth with biotin, methionine, lysine and zinc.

## COAT

Helps maintain healthy skin and a lustrous coat with essential fatty acids.

**Joint Combo™ Hoof & Coat** is a convenient 3-in-1 supplement that provides complete joint, hoof and coat care in just two scoops of palatable apple cinnamon-flavored pellets.
