THIS MONTH'S COVER

As we put *The Equiery's* June print edition together, the weather in Maryland had already started to feel like summer. So with summer vibes on our minds, we looked for a photo that both captured a summer feel and celebrated Maryland's young riders. This photo, taken

by Mark Pietrasanta, of Paige Snyder riding Millie fit perfectly! The photo was taken in 2019 at Ware-daca Pony Club's annual "pony swim." Don't forget to send your summer fun photos to editor@equiery.com for Out & About!
