Introducing

OUR EQUINE TEAM

Please join us in welcoming **Weston Specht** as our newest key account manager. Weston showed in a variety of AQHA disciplines and now enjoys assisting with his family's Belgian draft horses in team pulling competitions across the U.S.! He is a recent graduate of Penn State where he studied animal science and agri-business.

Weston will be joining our senior key account manager, **Lisa Phillips**. Lisa has been with FCA six years as our VA rep. She was introduced to FCA as a dealer herself and currently assists over 30 dealers throughout MD and VA. Lisa enjoys mounted shooting with her palomino Quarter Horse, "Xena".

FORTIFY
 with **ClariFly**
LARVICIDE

- Concentrated vitamin/mineral supplement. Feed 1# per day (for 1,000 lb. horse) to easy keepers or top dress less to "balance" rations

- **ClariFly**
LARVICIDE prevents the emergence of house flies and stable flies from the manure waste of treated horses by interfering with the normal molting process of fly larvae
