Freedom Hill Horse Rescue

Sunny: 20 year old, dark brown/black, 15hh, Standardbred with a goofy personality. Loves attention & scratches; makes silly faces showing his delight. We believe Sunny's history was harness racing, then pulling carts for Amish. Rescued from the kill pen at auction in February of 2021. Started under saddle at walk, and working on the trot. He is still a little unsure of himself but doesn't pull any antics. No buck, rear or runaway. Works well with kind encouragement & a lot of "good boy". Gets along with other horses. UTD on everything. Good for vet, farrier, dentist & trailer.

The Foxxie G Foundation

Thatwouldbegrand: Lovely, 5 yr old TB, 16.1H gelding. Grand is still a little forward under tack so an advanced intermediate to advanced rider would be best. Should stick to lower level jumping around 2'6" & does make some noise when cantering. Fine for local shows but would be penalized at rated hunter shows for the breathing noise. Adoption Fee \$500.
