

Sent you a photo of my new Grand Prix Dressage horse! I sold “Gemini” in one week thanks to the ad in *The Equiery* and found and bought “Pasop” a month later. I also won the recent PVDA Ride for Life County saddle auction and have had Pasop and myself measured for a new County Perfection Saddle. SO.....I am going to place an ad in the Equiery for all the saddles that I have not sold or ridden in for the last few years. Keep your fingers crossed that *The Equiery* ads continue to work their magic!
