

GREAT DISCOUNTS FOR FARM IMPROVEMENT CONTRACTORS

THE EQUERY

FARM FIX-UP GUIDE

featured in the April print issue and on equiery.com for a full year!

2018 was an impressive year for precipitation and it is still coming down. All that water has either exposed existing issues or created new problems and now MD horse people need your help to **repair, replace, rebuild & renovate!**

Plus, Spring gets people thinking about:

- New Barns, Sheds & Fencing
- Buying New Jumps
- Excavating for New Arenas
- Replacing Footing
- Seed & Lime
- Replacing/Repairing Farm Equipment
- Adding Solar Panels
- and other farm fix-ups!

Did you know that according to the University of Maryland, Maryland horse owners read The Equiery more than all other horse publications combined?

**EXTRA DISCOUNTS
FOR MHC MEMBERS!**
